CONNECTICUT ACADEMY OF FINE ARTS 109TH ANNUAL EXHIBITION

VIRTUAL SHOW

JULY 18 - SEPTEMBER 5, 2020

PRESIDENT'S MESSAGE

"I HAD SO MUCH FIRE IN ME AND SO MANY PLANS." This year, Claude Monet's words sum up the thoughts of many as we deal with a global pandemic. At CAFA we knew that our annual exhibition must go on, but in the safest possible way. In March, we transitioned from a physical to an online show and scheduled it for July. The results were overwhelming. Artists from 28 states and Canada submitted over 640 works, 160 of which were accepted into the show. They are now artistically displayed on our website which includes several user-friendly features to enhance viewing. I hope you like it.

Thanks to all the artists who submitted works.

Congratulations to those who were accepted and bravo to our award winners. Competition was tough, each year I am struck with the quality of the works submitted and this year was no exception.

Finally, in this difficult year, I want to take a moment to thank our Director, Gabrielle Robinson, along with our Treasurer, Marley Robinson, who worked tirelessly to bring our first virtual show to life. Please join me in applauding their contributions to CAFA this year.

Best,

ROBERT K. FRINK

GREG BOWERMAN is an artist and is in his 17th year teaching at the Williams School in New London, CT, as the Photographic and Film Studies Instructor and the Varsity Cross Country Coach.

Greg's paintings and photographic work continue to be inspired by the works of a variety of photographers, filmmakers, artists, and authors. Some of his favorites are: Orhan Pamuk, Neil Gaiman, Juan Jose Campanella, Alejandro Jodorowsky, Jean-Pierre Jeunet, and local Maine photographer, artist, professor of 19th Century photographic processes, and his mentor, Brenton Hamilton, plus many more. He is drawn to their observational details, organizational and narrative construction, and the metaphorical and mythological imaginative worlds they create.

Traveling provides him with new landscapes and perspectives with which to shape his own work. Some highlights from recent travels are: a 2012 trip to Cusco, Peru, where he volunteered at a local kindergarten and hiked the Inca trail to Machu Picchu, a 2016 trip to study modern art at the MALBA Museum in Buenos Aires, Argentina, and a 2018 trip to Lake Chapala, Mexico for a 40-day residency where he studied and created Antho-type photographic methods.

Greg graduated from the University of New Haven in 1990 and graduated with a second degree in 2001 from the Lyme Academy College of Fine Arts.

He is a member of the Mystic Museum of Art, The Provincetown Museum and Art Gallery, and The New Britain Museum of Art.
